WELCOME FOR REPUBLICANS

Puunui Gives G. O. P. Speakers Heartiest of Greetings.

Over the spacious grounds of Daniel S. Pahu at Puunui, and surrounded by the torches which were placed around the taro patches and on the green terraces, Republican candidates and workers for different offices held a big meeting last night under the management of W. C. Achi.

There were present in the neighborhood of 1100 people. The meeting was orderly; but occasionally there broke forth applause and cheers, as the speakers made good hits with the audience.

Dan Pahu, who is a good Republican, opened his house freely for the convenience of the candidates and others, who preferred to avail themselves of the opportunity. Mrs. Bishaw and Mrs. Young, the two Republican campaign soloists were among those seated on the lawn of the house.

Before calling the meeting to order, Captain Holt Thornton, who presided, offered invocation.

The first speaker, he called upon to address the audience was Chas. Arnold, candidate for supervisor. Arnold said that he was there to solicit for their votes, and promised, that in the event of his election, he will work for the general good of all. He asked the voters to give him a trial.

Alfred Castle next mounted the stand and addressed the audience. His speech was interpreted into Hawaiian by Willie Crawford. Castle said that unlike the Democrats, the Republican party does fulfill all its promises, which it makes to the people. In order to be of a benefit to the workingmen, and particularly to the Hawaiians, he said that, if elected, he will see to it that the appropriation of \$400,000 be obtained for the construction of good belt roads around this island. Applause.

As a resident of the fifth, he urged upon the voters to give their unanimous support for Prince Kuhio, who has done well in Congress.

Sailor Candidate.
William K. Simerson, the "sailor candidate," as chairman Thornton introduced him to the audience, told the voters, that he had been "swimming" the eight seas of Hawaii nei from Hawaii to Kauai.

Edward Gennet, one of the men who has quit the Democratic secret societies advised his fellow poolers to vote the straight Republican ticket from top to the bottom. He pointed out to the audience that the Republican party is the only party that can provide the poolers with work along the waterfront, that Boss McCandless and the rest of the Democrats are simply making "hot air" promises, with a view of getting the aid of the Hawaiians.

He further declared to the audience that the high wage promises that the Democrats were making to the voters were dirty political baits. He advised them to quit the Democratic party.

Cowboy Supervisor.
After thanking the voters for the applause they extended to him Eben Low pointed out to them that he was not "hookano" (proud) at all, as the Democrats would like to have the voters believe.

In order to substantiate this statement, he stated that he had taken the Hawaiian cowboys to Cheyenne to compete with the professional cowboys there, that the Hawaiians won the praise of the spectators there was due to the "love" that he has for his own people, the Hawaiian people. He emphasized the fact that should he be elected to the Board of Supervisors, he would perform the duties of his office—fearlessly and justly.

M. C. Amama, who is seeking a supervisory honor, promised to treat everybody alike, if elected to the office. "Equality is my motto," he shouted. "I am going to look after the interests of the rich and poor alike."

Cecil Brown, senatorial candidate, spoke in Hawaiian fluently. He said he is ready to do his best for the Hawaiians generally. He pointed out to the audience the necessity of returning Prince Kuhio to Congress, as a Delegate from Hawaii. He remarked that it was due to the influence and popularity of the Prince that he was able to get \$15,000,000 for this Territory.

That further importation of immigrants into this Territory was necessary was the subject matter that the speaker dwelt upon quite extensively. He told the audience that McCandless was like a plover, who came to get fat in Hawaii, and was about to take his departure to an unknown destination.

S. C. Dwight, candidate for supervisor, wondered why it is that the government quarry at Alewa was not being used, as was the case formerly. He assured the voters that if he is elected, he will try hard to get employment for the Hawaiians.

Rev. S. L. Desha, the "silver tongued orator of Hilo" was the next speaker. The speaker touched upon the qualifications of every Republican candidate and asked the voters to cast their ballots on the 8th of November, for them all.

A WORD TO MOTHERS

DOES YOUR DAUGHTER NEED MORE STRENGTH?

This Tonic Treatment Solves One of the Most Puzzling Problems for Parents of Girls in Their Teens.

A growing girl who is confined within doors too much of the time, who overworks, overstudies or is depressed by worry or care, needs the tonic treatment if she would avoid injury to her health which will mar her whole life.

In addition to a proper tonic the patient should have nourishing and easily digested food, pure air and sunshine, rest and sleep. Parents whose daughters grow debilitated as they enter their teens should not watch them fade and droop but should ensure their healthful womanhood by the treatment which is endorsed in the following statement from Miss Frances R. Roche, of No. 1029 E. Evans avenue, Pueblo, Colo. Miss Roche says:

"I suffered from weakness for nearly a year when I was changing from girlhood to womanhood. I became ill run down in health and had but very little blood. I did not have any strength and could hardly drag around. There seemed to be no life in me. Every month I passed through intense suffering. I had dizzy and vomiting spells and constant headaches. I was obliged to give up my work for a time."

"I took medicine from a doctor but without relief. Through a friend's advice I gave Dr. Williams' Pink Pills a trial and was completely cured. I am well now and have had no return of my trouble. My mother has since used the pills as a tonic and thinks as highly of them as I do."

Dr. Williams' Pink Pills are guaranteed to be safe and harmless to the most delicate constitution. They contain no morphine, opiate, narcotic, or anything to cause a drug habit. Owing to their blood-building property they are invaluable in the treatment of such diseases as anemia, green sickness, rheumatism, and the after-effects of fevers.

A new edition of our booklet, "Diseases of the Blood," giving more information about the treatment will be sent free on request to anyone interested.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

JUDGE WEAVER WAS ON BENCH

Police Court Is Presided Over By New Second Magistrate.

This morning at the Police Court Judge Weaver took his seat on the bench for the first time. The judge handed his commission to Eli Crawford, clerk of the court, and it was read to the lawyers in attendance. Judge Weaver then remarked that he was only acting as second judge of the court, and that Judge Lymer would probably soon be on the bench.

The first matter brought to the new judge's attention was a complaint sworn to by License Inspector Fennell; Judge Weaver signed it and then the usual court matters came up for attention.

There were twelve cases on the calendar but quite a number of them were sent over till future dates. C. Butzke, who was found guilty of assaulting his wife, was ordered to pay a fine of \$25 and costs. In view of the fact that he is a hard working man, the prosecution did not press for a jail sentence.

Several unimportant assault cases then occupied the attention of the judge till Dr. Emerson brought up an insane woman for commitment to the asylum. The woman has been acting queerly for many months now, and as she will be better off at the asylum, she was sent there by Judge Weaver.

HAWAIIAN IS KILLED DOWN AT PUULOA

Big Beam Swinging on Derrick Strikes Man on Head.

Deputy Sheriff John Fernandez, of Ewa, telephoned in a report of the death of a Hawaiian who was killed at Watertown yesterday by being hit by a large beam, which was being swung into position on a derrick. The unfortunate man, whose name is said to be Kakua, was badly smashed about the head, and he died shortly after the accident occurred.

The deputy sheriff will hold an inquest into the cause of the death, sometime today, and then a written report of the matter will be sent to Sheriff Jarrett. From all accounts the accident was caused by the carelessness of the deceased man, and no blame is attached to anyone else.
